Keep your workspaces agile with flip-top tables

High performing teams require work setups that are technology ready, fluid and hybrid.

When your office is constantly changing between having a small focused team discussion to hosting large project management sessions for cross-functional teams in a matter of hours, you need furniture that will support this transformation.

FlexMeet, a versatile office space layout solution, allows you to expand, contract and realign your workspace quickly, easily and effectively. And keep it all professional, connected and powered at the same time.

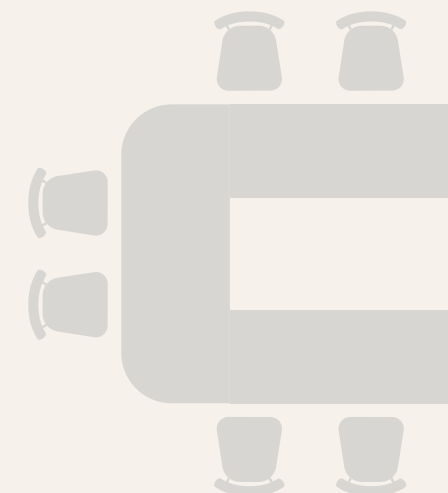

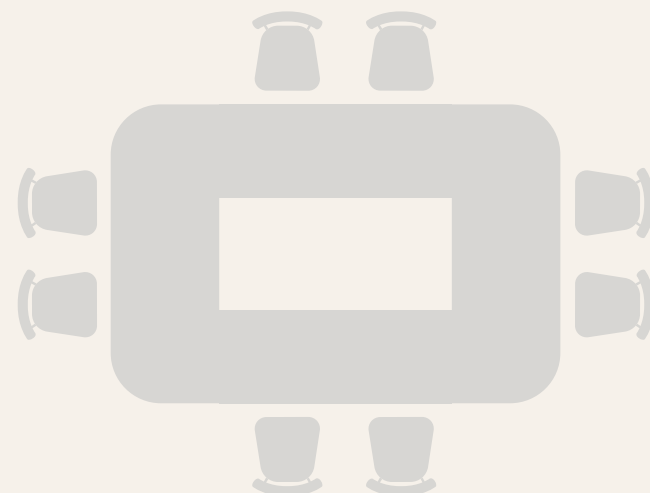

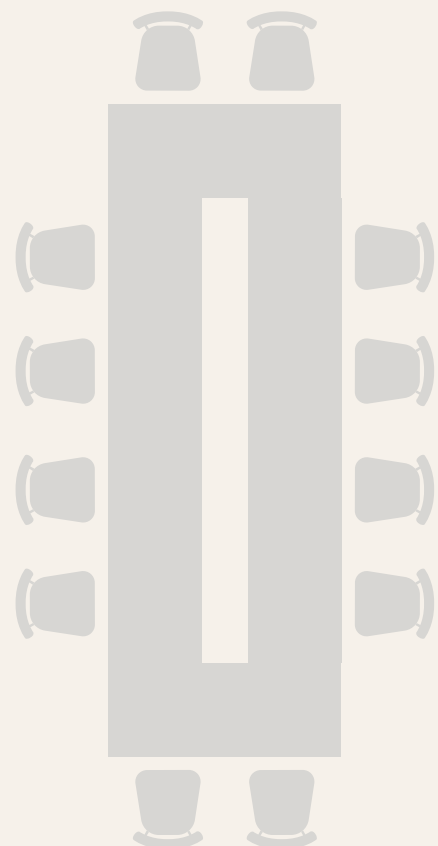

Modular and adaptive

These modular tables open up endless possibilities in the workspace as teams look to engage, influence and lead into the exciting future.

FlexMeet Office Space Layout Solutions come with a range of 4 mobile tables that work well individually and perform par excellence when connected. Yes, they are agile, easy to connect and disconnect, can be efficiently stacked away when not in use.

FlexMeet: Ideal for growing organisations

- Connectivity
- Configurability
- Mobility
- Stackability
- Wired, powered, and connected

Multiple use cases possible!

From classroom training sessions to group learning opportunities to collaborative work zones, with FlexMeet, you can create them all.

This all-in-one table enables your teams to multi-task, collaborate, upskill and innovate to stay ahead of the curve in immensely competitive markets.

Stack them away to create free spaces.

Set up for powerful
presentation spaces

Configure the tables in forms and formats that work best for your next session. This one here facilitates greater engagement and involvement with the audience.

Make an impact
across borders

Important meetings with stakeholders from across borders need your entire team to be at the same table. FlexMeet allows you to connect, meet up and discuss, smoothly and seamlessly.

Let your workspace narrate your story

Imaginative workspaces that are open to change are a great hook to tell your corporate story. From interesting table arrangements to well equipped infrastructure, FlexMeet builds it all in.

New thinking demands great team work

Some discussions are best done, face to face.

Imagine. Create.
Line up. Lead.

This range of versatile office space layout solutions is designed to meet the complete host of desking needs of a contemporary organisation. Each of the four tables of this range is modular, and can be arranged in endless formations, bringing freshness to your workspace day after day!

Note

It is required to provide 16A power points on the floor beforehand, based on the layout requirements of the room.

For some layouts, access to worktop connectors will be from below the tables.

Each power source (power-cord) can support max. upto 4 connected power boxes (tables).

As per electrical norms, the source power to be given to the Male GST end of connected tables.

The GREENGUARD Certification Program gives assurance that products designed for use in indoor spaces meet strict chemical emission limits, which create healthier interiors. The certification qualifies for LEED credits and IGBC credits.

In keeping with the Godrej policy of continuous development and improvement, the design, dimension and specification may be updated without prior notice or obligations. Form, Colour and Finish of product in this document are representative of design intent and may vary from actual. Colour options depicted in this catalogue are as close to what modern printing processes allow. All dimensions are in 'cm' and are subject to commercial tolerance. Our products are meant for indoor use only.
