Thoughtfully designed features

Cross-tie Rods for Enhanced Stability

The sturdy cross-tie rod detail provides tensile strength and enhances stability to the entire bookrack structure, making it robust for heavy load.

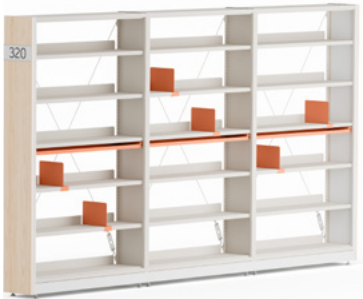

Contemporary Metal and Wooden Finishes

Radiance comes in a neutral metal and 2 colours of laminates. Along with its clutter-free design, these finishes fit in naturally in any type of space.

Roll-out Tray for Better Browsing Experience

Consult books, park one while you browse another, compare and pick the right one, without having to lug reference material around the space. The tray acts as an additional horizontal surface that you can use if you need to.

Designed Accessories for Neater Organisation

Accessories like book separators make for better organisation, where it's easier to find the books you're looking for, or to pull one out without disturbing the rest.
