Home-like Comfort, For Better Work

interio
by *Godrej*

A modern office lounge area featuring a variety of contemporary furniture. In the foreground, there's a light-colored armchair with a wooden base and a dark, round coffee table. To the right, two blue armchairs and a white ottoman are arranged around a white, round coffee table. In the background, two more armchairs are visible near a large window. The room has a dark blue carpet and a patterned rug. A coffee bar with a wooden counter and a refrigerator is on the right. The ceiling has several blue and gold circular light fixtures. Large windows on the right side offer a view of a cityscape.
