Product Features

Width (W)	69.0 – 72.0 cm.
Depth (D)	66.5 cm.
Height (H)	107.0 – 116.5 cm.
Seat Height (SH)	48.0 – 57.5 cm.

Curved Back Design

The chair features a curved upper back design, carefully contoured to provide a seamless and comfortable experience when leaning back, eliminating the sensation of a hard edge specially while reclining

4 Locking Position

The 4-position tilt lock provides users with enhanced ergonomics, comfort, and customization, allowing them to adjust the chair to their preferred position. This feature promotes good posture, reduces fatigue, and boosts productivity.

Spacious Sitting Zone

The chair boasts an exceptionally spacious seating area, offering a wider seat width than standard chairs, as well as a generous depth, that can be further adjusted to accommodate individual preferences, ensuring unparalleled comfort for users. Additionally, the high-resilience, soft, and bouncy cushion seat provides longstanding support

Support for Back

The chair features a uniquely designed back profile, characterized by broad shoulders and a contoured shape, expertly crafted to harmonize with the natural curves of the body in both upright and reclined positions, providing comprehensive back support and exceptional comfort.
